

Privacy Policy

This privacy statement applies to the services and website provided by this establishment (hereinafter referred to as "the Hotel"). We respect the privacy of all visitors and ensure that personal data is treated with confidence and care.

Data That Is Processed

The Hotel processes personal data because you make use of our services and website. We limit our data collection to technical identifiers necessary for website functionality and improvement.

The only data we process is:

- **IP Address**
- **Location**
- **Internet browser and device type**

Why This Data Is Processed

We analyze your behavior on our website to improve the user experience and adjust the content to our visitors' needs. This data is processed anonymously and is not provided to third parties for their own commercial use.

Data Retention

The Hotel holds on to your personal data no longer than necessary to fulfill the goals for which we are collecting the data. This time period is dependent on the technical purpose of the collection. We remove your data from our systems once it is no longer necessary to be saved.

Cookies and Similar Techniques

This website makes use of technical, functional, and analytical cookies. We only use analytical cookies that do not violate your privacy.

A cookie is a small text file that is saved on your device at your first visit to our website. The cookies we use are necessary for the technical functionality of the website and your user experience. We also use this data to optimize our website. In your browser, you are able to adjust cookie settings if you no longer want your browser to save cookies.

Your Rights

You hold the right to review, correct, or delete your data. Besides that, you hold the right to withdraw your permission or object to the processing of your data. You also hold the right to data portability, which means you will be able to request that we send you the personal data we have saved.

Your request to review, correct, or delete your data can be sent to the official contact email address listed on this website. To be sure a request is authentic, we may ask you to provide proof of identity. We try to respond to requests as soon as possible and not later than four weeks.

How We Protect Your Data

The Hotel takes the protection of your data seriously and takes the appropriate measures to avoid abuse, loss, unauthorized access, unwanted disclosure, and unauthorized modifications. If you feel like your data is not appropriately protected or if you find clues of abuse, please contact us via the contact details provided on this website.
